

NaceCare is Moving!

April 8, 2020

Dear Valued Customer,

We are pleased to announce that NaceCare is moving to a larger facility!

We are unable to ship any products during our move which will take place between Friday, April 10 - Friday April 17th, 2020. Under normal circumstances, we would endeavour to move over a weekend with minimal disruption in service. However, we need to keep our staff safe by working in smaller teams and keeping our distance so our move will take longer. We apologize for the inconvenience this may cause and appreciate your understanding.

Effective Monday, April 20th our new address is:

**NaceCare Solutions
415 Annagem Blvd
Mississauga, Ontario
L5T 3A7**

Please use the above address for all future correspondence and scheduling pick-ups and deliveries.

US customers – please continue to mail cheques to our lockbox
(PO Box 33086, Detroit, Michigan USA 48232)
Canadian Customers– please mail cheques to new address

We will continue to accept wire payment, ACH payments and credit cards.

We look forward to supplying you from our new facility.

Sincerely,

Gareth Mason
President
