

TGB 1620T

Twintec Battery Scrubbers TGB 1620T Traction Drive Scrubbers

The TGB 1620T (traction drive) are large-capacity 20" scrubbers built for the most demanding user.

Key Features

- 16 gallon solution and recovery tank
- 250 watt traction drive motor moves the 1620T at up to 4.3 mph
- Fully adjustable flow rate
- Over 3.5 hours of run time powered by 2 maintenance free gel batteries
- Prolonged battery life with low-voltage shutoff
- Hour meter and battery level indicator
- Tear-away squeegee with quick-release blades for cleaning
- Convenient, anywhere charging with the onboard charger

Gel Batteries:

- Safest, most dependable batteries on the market
- Longest-life batteries on the market
- Emit 1/40 of the hydrogen gas of wet lead acid batteries
- Spill-proof and can be charged anywhere

Quick-fill hose allows you to fill the unit from a tap instead of using buckets

TGB 1620T control panel provides an hour meter, emergency stop and monitors the battery status

TGB 1620T

Easy to view solution level

Squeegee blades can be changed without tools simply by pulling out the pins
