

GET DRY, SLIP-FREE FLOORS, AND CORDLESS FREEDOM WITH OUR NX300 CORDLESS WET & DRY VACUUM

Spills happen quickly and the WVB 370NX is especially designed and engineered to deal with those wet clean ups - fast. You'll tackle spills and leaks with the same vacuum you use for your dry vacuuming. Now that's convenient and efficient!

The NX300 Pro Cordless Network provides the opportunity of continuous cleaning through quick-change batteries across a versatile and expanding range.

Ideal for:

- Quick Spill Clean-ups
- Emergency Leaks
- Entrance Areas
- Restrooms and Showers
