

UNLEASH POWERFUL CLEANING AND LONG-LASTING PERFORMANCE

Our TBL 1620/100 Brush Drive Battery Scrubber is designed to deliver powerful cleaning results with maximum convenience. Equipped with two NX1K lithium phosphate batteries, the batteries offer reliable performance without the hassle of maintenance. With a 16-gallon capacity and a 20" cleaning path, it efficiently tackles larger spaces while maintaining a compact design. Enjoy long run times on a single charge, and with the flexibility to charge it anytime, you'll never be caught short at the end of a shift.
