

RESTORATIVE

Tempest® Box Extractors

Our Tempest box extractors are lightweight and easy to transport. Constructed of rugged polyethylene, the upper and lower tanks detach into two separate units for easier transport.

TP 8X

TP 18SX

Shown with optional Smart Kit

At only 49 lb, the TP 8X is light and easy to transport without sacrificing the power of a full-size extractor. With a 130 psi pump and 20' vacuum and solution hoses, the TP 8X is ready to tackle the largest of jobs.

The TP 18SX is a premium extractor featuring a 130 psi pump with 1.2 gpm of water flow. The 18 gallon polyethylene tanks are designed to clean large areas and it comes complete with a 20' solution/vacuum hose and three-jet wand.
