

UNLEASH POWERFUL CLEANING AND LONG-LASTING PERFORMANCE

Our TBL 1620/50T Traction Drive Battery Scrubber is designed to deliver powerful cleaning results with maximum convenience. Equipped with one NX1K lithium phosphate battery, the battery offers reliable performance without the hassle of maintenance. With a 16-gallon capacity and a 20" cleaning path, it efficiently tackles larger spaces while maintaining a compact design. The addition of a 250-watt traction power drive in the 1620/50T model ensures smooth operation, particularly on inclines or ramps. Enjoy long run times on a single charge, and with the flexibility to charge it anytime, you'll never be caught short at the end of a shift.

ADVANCED & SAFE LITHIUM PHOSPHATE TECHNOLOGY (LFP)

TOTAL FLEXIBILITY IN CHARGING

CHARGE AS OFTEN AS NECESSARY

COMPLETELY MAINTENANCE FREE BATTERY SYSTEM
